---------------------------------	------

The Alaska Municipal League Conference is scheduled for November 13 through 17 in Anchorage. With a majority of city council members attending the conference, the Council will not have a quorum of its membership in Bethel to hold a meeting.

As provided for in Bethel Municipal Code 2.04.010, the City Council has the authority to postpone or reschedule a meeting if there is an expected lack of a quorum as long as at least one regular meeting is held each month.

An alternate action:

If the Council and/or administration finds that there is cause to hold a special meeting the week of November 20th, the Action Memorandum can be amended to strike November 28 and insert a date available to a majority of council members.
