B. An application to renew a permit or license shall be made to the transportation inspector, at the time set for submitting the application, and shall be treated in the same manner as an original application. A decision to grant a license or permit in two (2) years does not preclude the transportation inspector from denying a license or permit upon application for renewal.

C. If a permittee or licensee is not qualified to hold their permit or license at the time of renewal, the transportation inspector shall not renew the permit or license and it shall become void and revert to the commission.

D. Any person whose application for an original license or permit or for a renewal of license or permit has been denied and any person whose license or permit has been revoked may not apply for a new license or permit for one (1) year from the initial date of the denial or revocation. New taxicab permits shall only be issued in accordance with the provisions of BMC 5.30.050.

5.20.140 Duty to maintain current application.

A. A permittee or licensee is under a continuing obligation to keep the information on their application current. Failure to do so shall be a violation of BMC Chapters 5.20 through 5.50. A permittee or licensee shall give written notice to the transportation inspector of any change to be made on their application within ten (10) days, and the transportation inspector shall amend the application accordingly. Failure to comply with this subsection is grounds for denial, suspension or revocation of a permit or license.

B. No person may knowingly make a false or misleading statement on their application for a permit or license under BMC Chapters 5.20 through 5.50. Failure to comply with this subsection is grounds for denial, suspension or revocation of a permit or license and constitutes a violation of BMC Chapters 5.20 through 5.50.

C. The transportation inspector shall transmit applications meeting the requirements stated in subsection B of this section to the city manager to determine whether the applicant owes any taxes, fees, assessments, or other payments to the city, and whether the applicant has a current city business license.

D. If the applicant has no outstanding obligations and has a business license, the city manager or their designee shall certify the application, and return it to the transportation inspector.
