RESOLUTION 108

WHEREAS, the City of Bethel has approved the construction of a deep water port facility within the City of Bethel under State sponsorship and with EDA assistance,

THEREFORE, BE IT RESOLVED that for the purposes of EDA, the City Council authorizes the City Manager to sign forms 501A - Certificate of Non-Relocation, and 503A - Civil Rights Compliance on behalf of the City; and

BE IT FURTHER RESOLVED that it is the intention of the City of Bethel to operate and maintain the proposed municipal dock facility under a working agreement with the State of Alaska. The City Council will adopt tariffs for docking and warphage charges that will yield revenues sufficient to cover the operating and maintenance costs for the dock including reimbursement to the City of Bethel for all costs of operating the municipal dock including, but not limited to, administration, management, accounting, and realted overhead. Under all conditions the dock will be operated as a public facility with equitable public access.

APPROVED this 12 day of November, 1973.
