II. Cost for Each Lot

A. The cost for each lot shall be determined by City Council pursuant to the terms and conditions of Ordinance #59 and amendments thereto, and the following related lot cost factors:

1. Survey cost.
2. Cost of electrical power distribution system.
3. Water and/or sewer costs (if any).
4. Other development costs (if any).

III. Lot Allocation Restrictions

A. Trailers are not allowable in the City Subdivision, however modular homes will be acceptable. Such policy is not retroactive and will only be effective for new lot owners or those who currently own a City Subdivision lot and have not constructed a single family or duplex housing unit to date. All statutory warranty deeds issued to new lot owners will be restricted to the extent that if the lot owner does not construct a single family or duplex housing unit by the specified date contained within such deed, the City shall have the full right to repossess the lot.

B. The aforementioned, as well as other restrictions included in a statutory warranty deed pertaining to new lot owners, will be absolutely enforced.

City Council has the right of granting exceptions requested by the applicant for any particular lot within the City Subdivision, and shall allocate lots in accordance with the terms and conditions of this resolution and Ordinance #59 and amendments thereto only.

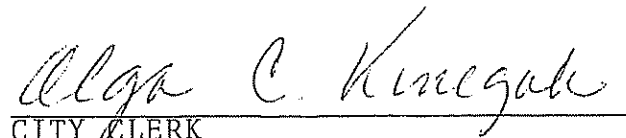

Any previous resolutions or parts thereof which are in conflict with this resolution are hereby repealed.

Passed and approved this 11 day of October, 1976.
