

RESOLUTION 33

LAND FOR ARMORY SITE

WHEREAS, in Resolution 3 of the City of Bethel, Lots 7 through 17 of Block 17, Bethel Townsite Survey 3230 A&B, designated as a municipal reserve, was set out as an area for the Alaska National Guard to construct and use an Armory; and

WHEREAS, after such permission was granted, the Armory was constructed, and is in use; and

WHEREAS, another division of the Department of the Army now wishes to expand in this area and is unable to do so because of the clause in Resolution 3 which says that the Alaska National Guard is not permitted to reappportion or sub-lease said lots; and

WHEREAS, it would be beneficial for the City and its people to have this planned expansion and construction,

BE IT THEREFORE RESOLVED, by the City Council of the City of Bethel, that Lots 7 through 17 of Block 17, Bethel Townsite Survey 3230 A&B, are hereby opened to reapportion and the expansion or construction of facilities to any division or part of the Department of the Army.
