

RESOLUTION NO. 51

RESOLUTION EXPRESSING INTENT OF BETHEL TO
COOPERATE WITH THE U.S. CORPS OF ENGINEERS IN
THE FLOOD CONTROL PROJECT WITHIN THE CITY OF BETHEL

WHEREAS, the City of Bethel has the flood control power, and

WHEREAS, the Department of the Army Corps of Engineers has studied and prepared proposed plans for small boat harbor and slough dredging within the City of Bethel, and

WHEREAS, it is necessary that the City participate with the Corps of Engineers in planning, land acquisition, and construction of the slough dredging project and small boat harbor,

NOW THEREFORE BE IT RESOLVED, by the City of Bethel that it is the intention of the City to cooperate with the Corps of Engineers to the extent of its capabilities in the planning, land acquisition, and construction of the Brown Slough dredging project and small boat harbor in the following respects:

- a. Provide without cost to the United States all lands, easements and right of way necessary for the construction of the project.
- b. Hold and save the United States free from damages due to the construction of works.
- c. Provide without cost to the United States all relocations of buildings and utilities, highway bridges, sewers, related and special facilities, local betterments, etc., except as otherwise warranted for special reasons.

PASSED AND APPROVED THIS 14 DAY OF April, 1969.

Mayor

ATTEST:

City Clerk
