City of Bethel

Resolution #85

WHEREAS, the voters of the State of Alaska approved a bond proposition in November 1972 which provided \$16,000,000 for the construction of eleven area high schools and a primary school at Bethel;

WHEREAS, a proposal has been submitted to divert \$1,500,000 of those funds for additions to the Delta School;

AND WHEREAS, the Delta School was not mentioned in the bond proposition and a transfer of funds would decrease the amount available to those schools for whom they were intended;

BE IT RESOLVED, that we go on record as being strongly opposed to the illegal diversion of bond funds and the resulting disregard of the will of the voters of the State of Alaska.

Approved this 19 day of March, 1973.
